## Testimonial

ComputerWerx Pty Ltd  
Attn. Syd Nair

I have known Syd for around 10 years now, he quoted on the IT system at the company I was employed by. All though Computerwerx were not successful on that quotation, Syd and I remained in contact.

Once I moved to Printatape I had no hesitation in contacting Computerwerx to quote on our IT requirements.

ComputerWerx has now been looking after Printatape's IT requirements for the past 3 years and we are very happy with the level of service provided.

Syd and staff are always very helpful and easy to communicate with when we have issues with the system.

I would highly recommend Computerwerx to any potential clients and would be happy for you to contact me directly should you have any questions.

Yours sincerely,

*Ken Dargan*
